

Coon Rapids New Housing Incentive Program

Thank you for making an investment in Coon Rapids housing stock by building a new home. The Coon Rapids Development Group has partnered with the City of Coon Rapids to offer a \$10,000 incentive to individuals or families who build a new residence within the Coon Rapids city limits. All construction must be owner-occupied and the plans must be approved by the Coon Rapids Development Group prior to construction. If you are approved for the \$10,000.00 building incentive, you will receive the funds once construction is substantially complete and ready for occupancy.
