

Salute to Veterans Banner Program

Main Street Coon Rapids salutes all those who have and are serving our country in the US Armed Forces. To honor those men and women, we are placing banners on the light poles downtown with images of those who have served. The banners will be placed on light poles downtown mid-October and will remain up past Veterans Day.

If you would like to honor a serviceman or woman, complete the form below to have their image and name placed on a banner. The honoree must be a retired, deceased, honorably discharged or current active-duty member of the U. S. Armed Forces. The banners are double-sided, measuring 30'' by 60'' and are custom-made with an image of the honoree provided by the applicant. They will make a great gathering spot for family members, friends and loved ones to pose for a selfie or group photo and reminisce about their military loved one. After the banners are taken down, they will be made available to the applicant.

Instructions:

1. Complete the order form.
2. Submit a high-resolution JPG to annie.rudolph@crmu.net or gayla.mccool@commins.net. Be sure to identify the name of the honoree in the photo when submitting the photo. You may also provide a hard copy to be digitized.
